Aesthetic Eyelid and Facial Rejuvenation Course 2018

Friday–Saturday • July 20–21, 2018
UCLA Stein Eye Institute
UCLA Campus

PROGRAM CHAIRMAN
Robert A. Goldberg, MD

COURSE DIRECTORS
Robert A. Goldberg, MD
Daniel Rootman, MD
Norman Shorr, MD
Jonathan A. Hoenig, MD

AXELROD LECTURER
George Charonis, MD
Athens, Greece

LABORATORY DIRECTOR
Daniel Rootman, MD

VIDEO LAB DIRECTOR
Steven Leibowitz, MD
FRIDAY, JULY 20, 2018  HANDS-ON DISSECTION WORKSHOP PROGRAM

Dissection Laboratory – 53-129 CHS
7:00  Registration and Breakfast
7:55  Laboratory Course Introduction –  Daniel Rootman, MD,
     Steven Leibowitz, MD and Robert A. Goldberg, MD

Upper Blepharoplasty
8:05  Upper Blepharoplasty Anatomy and Incision Design – Louis Savar, MD
8:15  Hands-On Cadaver Lab: Upper Blepharoplasty Occidental and
      Asian Blepharoplasty

Ptosis
9:15  Ptosis Anatomy – Daniel Rootman, MD
9:25  Ptosis Video – Christopher Lo, MD
9:40  Hands-On Cadaver Lab: Anterior and Posterior Approach Ptosis

Lower Blepharoplasty
10:30 Lower Blepharoplasty Anatomy – Daniel Rootman, MD
10:45 Lower Blepharoplasty Video: Transconjunctival and Fat Repositioning,
       Trans-Eyelid Midface Approaches – Justin Karlin, MD and
       Bunyada Puthansriwong, MD
11:00 Hands-On Cadaver Lab: Lower Blepharoplasty with Variations
12:00 Lunch

Canthoplasty
1:00  Canthal Anatomy/Small Incision Canthoplasty Video – Robert A. Goldberg, MD
1:15  Hands-On Cadaver Lab: Small Incision Canthoplasty

Forehead and Mid-Face Lift
2:00  Upper and Midface Lift Anatomy/Video – Jonathan Hoenig, MD and
      Mehryar Taban, MD
2:10  Hands-On Cadaver Lab: Endoscopic Upper and Midface Surgery and
      Direct Eyebrow Approaches

Fat Transfer and Special Procedures
3:30  Hands-On Cadaver Lab Special Procedures:
      Fat Transfer, Facial Implants  David Isaacs, MD
      Cheiloplasty  Reza Jarrahy, MD
      Suture Lift  Christopher Lo, MD and Deepak Ramesh, MD
      Facelift  Jonathan A. Hoenig, MD
      Medial Canthoplasty  Daniel Rootman, MD
4:30  Adjourn
SATURDAY, JULY 21, 2018  SYMPOSIUM PROGRAM SCHEDULE

UCLA Stein Eye Institute, RPB Auditorium

7:30  Registration and Breakfast
8:00  Introduction – Daniel Rootman, MD
8:05  Evaluation of the Aging Face – Robert A. Goldberg, MD
8:30  My Secrets to Success in Upper Blepharoplasty: Patient Selection and Surgical Planning – Rona Silkiss, MD
8:50  Adding and Removing Volume in the Upper Periorbital Complex – Robert A. Goldberg, MD
9:05  Periorbital Fat Transfer – Jonathan A. Hoenig, MD and Deepak Ramesh, MD
9:20  Tricks and Tips in Ptosis Surgery – Daniel Rootman, MD
9:35  Nuances in Controlling Eyelid Crease and Contour – Kenneth D. Steinsapir, MD
9:45  Questions and Answers
9:50  Coffee Break and Exhibits
10:15  Basic Surgical Techniques of Lower Blepharoplasty – Michael J. Groth, MD
10:35  The Unhappy Post-Blepharoplasty Patient – Robert A. Goldberg, MD
11:00  Blindness After Blepharoplasty and Less Rare Complications – Raymond Douglas, MD and Guy Massry, MD
11:20  Questions and Answers
11:30  Introduction of Robert Axelrod, MD Memorial Lecturer – Norman Shorr, MD
11:35  Robert Axelrod, MD Memorial Lecture – George Charonis, MD
12:00  Lunch
1:00  How to Satisfy Aesthetic Surgery Patients – Reza Jarrahy, MD
1:15  Facelift Pearls – Jonathan A. Hoenig, MD
1:35  New Observations on Facial Aging and Fat Grafting – Val Lambros, MD, FACS
2:00  Questions and Answers

Facial Rejuvenation: Skin Treatments and Injectables
2:20  Understanding the Eyebrow and Its Role in Facial Aesthetics – Danica Fiaschetti, LVN, COA
2:30  New Waves in Skin Rejuvenation – Jennifer Ahdout, MD
2:50  Functional Facial Filler Injections – Robert A. Goldberg, MD
3:10  Coffee Break

Cosmetic Consultations
3:30  Live: Botulinum Toxin and Fillers
Live demonstrations of injection techniques at two simultaneous stations, with video feed and commentary.
Moderator: Cynthia Boxrud, MD
Faculty Injectors: Robert A. Goldberg, MD, Cynthia Boxrud, MD, Rona Silkiss, MD, Kenneth D. Steinsapir, MD and Daniel Rootman, MD
4:15  M&M from the Fellows Conference: The Worst Complications of the Year, and How They Were Managed – Christopher Lo, MD, Justin Karlin, MD and Bunyada Puttherangsiwong, MD
Faculty Comments and Pearls for Managing Complications – Norman Shorr, MD, Robert A. Goldberg, MD and Mehryar Taban, MD
4:30  Final Questions and Answers
4:40  Adjourn

Cancellation Policy:
Request for refunds must be received in writing no later than July 1, 2018. A handling fee of $75
will be deducted from each cancelled registration.

Enrollment:
By Mail: Use this form and mail to the UCLA Office of Continuing Medical Education, David Geffen
School of Medicine at UCLA, 10920 Wilshire Blvd., Suite 1060, Los Angeles, CA 90024-6512
By Fax: Send the completed enrollment form with credit card information and authorizing
signature. Fax to (310) 794-2624.
By Phone: Use your Mastercard, VISA, American Express or Discover Card. Call (310) 794-2620
Online: Use your MasterCard, VISA, American Express or Discover Card. Go to www.cme.ucla.edu
and click on “2018 Aesthetic Eyelid and Facial Rejuvenation”

ACCREDITATION
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by
the Accreditation Council for Continuing Medical Education to provide continuing medical education
for physicians.
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this
live activity for a maximum of 14.5 AMA PRA Category 1 Credits™. Physicians should claim only the
credit commensurate with the extent of their participation in the activity.

DISCLOSURES
The FDA has issued a concept paper which classifies commercial support of scientific and educational
programs as promotional unless it can be affirmed that the program is “truly independent” and free
of commercial influence. In addition to independence, the FDA requires that non-promotional, com-
cmercially supported education be objective, balanced, and scientifically rigorous. The policy further
states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the pro-
gram’s participants. In addition, Accreditation Council for Continuing Medical Education policy man-
dates that the provider adequately manage all identified potential conflicts of interest prior to the
program. We at UCLA fully endorse the letter and spirit of this concept.
Aesthetic Eyelid and Facial Rejuvenation Course

FRIDAY, July 20, 2018
UCLA Stein Eye Institute, 53-129 CHS, Dissection Laboratory – 7:00 am - 4:30 pm

The dissection workshop focuses on anatomic and surgical pearls of core aesthetic surgical procedures such as upper and lower blepharoplasty, Asian blepharoplasty, forehead lift, mid face lift, and canthoplasty options. The various procedures will be reviewed in step-by-step fashion, utilizing a detailed dissection manual, bullet point surgical videos, and prosections by faculty experts. A limited enrollment will promote close interaction between participants and faculty so that each participant can perform the procedures on cadavers, with faculty guidance.

Due to popular demand, we have once again added a live audio visual feed of the aesthetics dissection course. We have tried this once before and received rave reviews. The course directors, faculty, and guest faculty are “miked up” and seen in high definition performing the dissections from our Friday dissection course in our audio visual suite. The live audio visual suite also receives all the live lectures given in the laboratory. A faculty monitor will be present at all times in the audio visual suite to relate your questions to the “miked up” faculty. Then the same faculty will also come to the audio visual suite to lead further discussion. Both the faculty and the attendees loved this new educational experience.

SATURDAY, July 21, 2018
UCLA Stein Eye Institute, RPB Auditorium – 7:30 am - 5:00 pm

The second day of the course will be didactic, covering the nuances of technique that are critical for achieving the elegant results demanded by today’s sophisticated patients. This course brings together innovative experts in aesthetic oculoplastic surgery to share their experiences, techniques, and pearls.

A range of talks will be given covering aesthetic blepharoplasty, endoscopic forehead surgery, face lift surgery, and non-incisional techniques. Course participants unable to attend the first day of the course are welcome for the second day.
Course Description
This course is a tightly focused survey of surgical and non-surgical options for periorbital and facial rejuvenation. The multidisciplinary faculty, renown experts in their fields, focus on practical techniques and conceptual pearls designed to send participants home with tools that they can immediately apply to their own practice.

Objectives
At the conclusion of this program participants will be able to:

• Recognize and be familiar with the palate of options, evaluation, and decision making for non-surgical aesthetic facial rejuvenation.

• Practice safe techniques of aesthetic upper eyelid surgery and aesthetic lower eyelid surgery.

• Identify the principles of midface rejuvenation with a review of the anatomy and physiology as it relates to safe procedures.

• Assess the relevant anatomy and potential anatomic danger areas related to surgical rejuvenation of the orbit, face and neck.

• Avoid surgical complications or provide appropriate management of complications.

• Refer to practical course material and feel comfortable incorporating new techniques safely and conservatively into their own practice.
